Get your hands dirty with science at ULB's Centre de Culture Scientifique (CCS)!

Set in inspiring surroundings, the CCS invites you to delve into the fascinating world of science through interactive exhibitions, hands-on workshops, captivating courses and a host of events for all ages.

Because science is all about having fun, the CCS offers a variety of activities for all ages:

- For schoolchildren: Give your pupils the chance to immerse themselves in science with guided tours of exhibitions, stimulating hands-on workshops and science shows that will arouse their curiosity.
- For the general public: Whether you're with family, friends or on your own, enjoy guided tours accompanied by hands-on workshops, celebrate a memorable science birthday, take part in Tandem workshops or attend spectacular events such as the Night of the Stars and children's shows.

And to recharge your batteries after so many discoveries, there's a friendly cafeteria where you can picnic and share your impressions.

Come and experience science in a different way at the CCS!

Whether you're a science enthusiast or just curious, the ULB Centre for Scientific Culture promises you plenty of discovery and fun. Don't miss this unique opportunity to get your hands dirty with science and enjoy some unforgettable experiences!
