In 2025, Walibi Belgium celebrates its 50th anniversary and is marking this exceptional year with a host of new attractions. Whether you're looking for thrills or unforgettable moments with your family, Walibi Belgium promises a unique experience that will delight every visitor.

For the occasion, Walibi is giving itself a makeover and unveiling Dock World, a brand new themed zone. Immerse yourself in the atmosphere of a fishing village and discover our new family attraction that will take you at 65 km/h over 925 metres, skimming the surface of the water. With its amazing sensations and immersive scenery, this attraction will be the 3rd longest coaster in the park! Flash Back and the Turbine, two of the park's flagship attractions, will also be re-themed to transport you into the captivating world of an industrial port.

Thanks to its themed events, the park reinvents itself with the seasons. Summer will be particularly festive, with a host of anniversary activities that will set the whole park alight. At Halloween, Walibi becomes Ibilaw, a world in which you can experience the thrill of exploring the haunted houses and challenging the scary monsters that have invaded the park. To round off the year in style, Walibi Winter will be back for its third edition, with magical illuminations and a warm winter atmosphere.
